

Did you know many employers will match your Fair Share donation of an organization you support?

The Redondo Beach High School Band and Guard Boosters, Inc. meets the requirement of most employers to match donations because we are a charitable 501(c)(3) organization. This means that the power of your donation can be doubled!

Please contact your human resources department or employee benefits department to learn how to have them match your donation. Your donation will go a long way in assisting our students and benefiting our program. 50% of the company match will go towards your child's Fair Share account and 50% to the boosters to support the band and guard program.

The list below reflects just a few of the companies known for providing employee donation matching programs. If your employer does not appear below, we encourage all of our potential donors to connect with the charitable giving leaders in your company to see if they offer an employee donation matching program. We are here to help. If you have any questions, please email Peter Kurbikoff at RUHSbandguardmarketing@gmail.com or call 310-880-5093. We thank you in advance for your support of our program and appreciate your gift. **(Just a few of the hundreds of participating matching companies.)**
